### News and general interest

The 1992 European Logo competition was won by A. Grant with 'Cross Cut'. The runner up was A. Franklin with 'Go caterpillar'. Special awards went to P. Timmins and H. Allen.

Due to the short notice it has not proved possible to raise a team in response to the invitation (mentioned in the last newsletter) from the USSR. We hope that further, more successful, contacts will be possible in the future.

I have received a letter from a BGA member interested in writing Go playing computer programs (ideally on Apple Macintosh, but possibly IBM PC). He requests that like-minded people contact him at the following address : James G. Cherill, 8 Aprilwood Close, Woodham, Weybridge, Surrey KT15 3SX. Tel.: (09323) 52388.

Next year's subscriptions and levies will be going up (note that these have been frozen for several years). Anyone joining before the end of 1989 for the 1990 year will be able to do so at this year's rates. Club secretaries and interested individual members please contact the treasurer for details (address below).
